

# How to... Reset password

## myTeleflex.com

### Step 1

Go to **myTeleflex.com** and click **Sign In**.

### Step 2

Under Password, select **Forgot Your Password?**

### Step 3

Enter your myTeleflex login email address, and click **Reset Password**.

### Step 4

Check your email account for further instructions from **myTeleflexadmin@teleflex.com**.

### Step 5

In the email, click the password reset link.

### Step 6

Set your new password and confirm it on the next line.

- Your new password must have at least 8 characters.
- It must contain at least one digit, one lower case letter, one upper case letter, and a special character.

### Step 7

Click **Update**.

\*PRO-TIP: If someone within your company is already registered and has the same Account Number with Teleflex you can ask them to setup your new account too.
